

## Gärtner's Patentkali potash magnesia

- with potassium for strengthening the plant tissue and improving the water balance of the plants
- contains magnesium and sulphur for chlorophyll and plant metabolism
- increases resistance of plants to disease, pests and weather conditions
- for healthy, and storable garden products that are rich in vitamins
- especially good for sensitive crops such as fruit, potatoes and wine due to its extremely low chloride content
- ideally, use in early spring before sowing and in autumn after the harvest; top dressing is also possible without problems

### Required quantities:

- fruit trees and wine: 40 – 60 g/m<sup>2</sup>
- soft fruit: 60 – 80 g/m<sup>2</sup>
- leaf vegetables: 60 – 80 g/m<sup>2</sup>
- cabbage and root vegetables: 80 – 120 g/m<sup>2</sup>
- potatoes: 60 – 120 g/m<sup>2</sup>
- lawn areas: 60 – 80 g/m<sup>2</sup>
- trees and ornamental shrubs: 30 – 50 g/m<sup>2</sup>

### Application period:

Jan	Feb	March	April	May	June	July	August	Sept	Oct	Nov	Dec
-----	-----	-------	-------	-----	------	------	--------	------	-----	-----	-----

### Tip:

- Approved for organic agriculture in accordance with EC Regulation 834/2007.

### Dosage of Gärtner's Patentkali potash magnesia:

- 1 handful approx. 60 g
- 1 tablespoon approx. 20 g
